

General Policies for Assistance

1. Applications are valid for six (6) months. You may complete a new application at any time and re-enter the applicant pool for a new six month period.
2. If applicable, your completed application should be submitted at least thirty (30) days prior to the date you wish to begin school.
3. Persons covered under the Jobs for Veterans are, by law, considered first.
4. If approved for Tuition Assistance, you will be required to exhaust any other available means of tuition assistance first. You may be required to submit a Free Application for Federal Student Assistance (FAFSA) application. We strongly recommend filing online as soon as possible – www.fafsa.ed.gov. A Career Link staff member can help you.
5. If you are approved for Tuition Assistance through Career Link, you may be allowed to keep your PELL grant money for expenses.
6. If you are approved for Tuition Assistance through Career Link, you may also be eligible to receive financial assistance for books, supplies, transportation, and child care.
7. For more detailed information on services, call a Career Link staff member at your nearest Career Link office.
